NOTE: This certificate evidences compliance with one or more of the Rules, Guides, standards or specifications of ABS or with other standards. It is issued solely for the use of ABS or its authorized agents, clients or other authorized entities. This Certificate is a representation only that the structural, item or material equipment, installation or any other item covered by this Certificate meets one or more of the Rules, Guides, standards or specifications of ABS as of the date of issue. It does not constitute an approval of the scope and conditions of classification and to review the survey records for a full description of any restrictions or limitation on the scope, service or service. The validity, applicability and interpretation of this Certificate is governed by the Rules and standards of ABS who shall remain the sole judge thereof. Notwithstanding this Certificate or any notice made in connection with this Certificate shall be deemed to waive and discharge, builder, owner, manufacturer, seller, supplier, repairer, operator or consignee of any liability or loss or damage.
